Applicants shall provide a project description in a PDF format. The project description must be no longer than ten pages, excluding attachments. The project description must address the organization's eligibility requirements and the goals, activities, and projected results listed below.

Goals, Activities, and Projected Results

1. Describe the applying organization, project, and the services to be provided.
2. Describe the goals of the project being proposed.
3. Describe how the organization's experience will lead to success in achieving its goals.
4. Describe the individual(s) responsible for oversight of the organization, project, and services to be provided.
5. Describe the criteria to be used to select who would receive assistance.
6. Describe the geographic areas of the state to be served and attach a map illustrating the number of families to be assisted in each county to be served.
7. Describe how the organization, project, and the services to be provided would affect mortgage foreclosures in Alabama.
8. Describe the expected results.
9. Describe the organization's readiness to proceed, including a proposed implementation timeline.
10. Describe how the organization would evaluate the quality and success of services to be provided.
11. Describe what type of data would be collected and how it would be reported to the Attorney General's Office in annual progress reports and in the post-project, self evaluation report.
